

### **The Baxter & Grimshaw Scholarship, Australian Maritime and Fisheries Academy, 2018**

In 2018, the Trust financially supported Declan Sambrook to gain his Marine Engine Driver Grade II qualification with the Australian Maritime and Fisheries Academy, Port Adelaide. The qualification allows him to be an engineer on vessels with an engine < 1,000HP or with two engines up to 999HP each. Declan had experience working in commercial fisheries and fish farms and sought the above qualification to further his career in the fisheries industry with support from the Trust.
